## MANHATTAN HOUSE DELIVERS

JASMINE LOMBARDI

Last night, God's Love We Deliver launched their holiday catalogue and gift cards at Manhattan House's James Huniford's Modern9 residence. Along with Huniford, GLWD's chef Chuck (the baker behind the delicious brownies on-site) and Blaine Trump (who's on the Board of Directors for the organization), Manhattan House is raising awareness of the mission behind God's Love We Deliver: alleviating hunger and malnutrition men, women and children living with HIV/AIDS, cancer and other serious illnesses. By selling their annual holiday cards and other items (including those to-die-for brownies!), MH not only hosted another lovely cocktail event, but benefited a great cause. GLWD prepares and delivers nutritious, high-quality meals and also provides illness-specific nutrition education and counseling to their clients, families, care providers and other service organizations. Kudos, Manhattan House, and all you other New Yorkers for showing support of God's Love We Deliver.
