

NEW YORK SOCIAL DIARY

March 22, 2011

Earlier this month Blair Voltz Clarke hosted an evening cocktail reception for artists and attendees of the Armory Show in James "Ford" Huniford's signature-designed residence at Manhattan House. Cocktails and hors d'oeuvres were served by Betel, an exotic yet modern Southeast Asian restaurant located at 51 Grove Street in the West Village.

The reception presented a blend of expressive design creativity and distinctive artwork by innovative artists including **Karen Tompkins, Joshua Webster, Mark Boomershine, Lucy Soni**, and other established and emerging contemporary artists from Voltz Clarke's roster.
